

Personal Network Connection Application

I, Name (**print**):

Email address:@st-andrews.ac.uk

request to have my personal computer connected to the University network in the Purdie or BSRC buildings
for academic purposes only.

Building: Purdie / BMS / BSRC annexe (delete as appropriate)

Room Number: Tel. Extn:

Network Socket: PC/Mac/..... Operating System.....

MAC (ethernet or hardware or IPv4) address of the **wired** ethernet adapter (do **not** confuse with other network interfaces) (BSRC annexe only)

I have read the University's Policies and the relevant UK laws described at:

<http://www.st-andrews.ac.uk/staff/policy/computer/>

and will comply with these and any further instructions. I will notify the Computing Officer in the School of Chemistry when this connection is no longer required.

I am aware that any possessions brought into the University are at my own risk, and that I should take appropriate security precautions and have adequate insurance cover.

I acknowledge that disciplinary action will be taken for abuse of this privilege and that the connection may have to be withdrawn for operational reasons. In signing this agreement I realise that the University reserves its right to take legal action against individuals who cause it to be involved in legal proceedings.

Signed:

Research Group: Date:

Supervisor's Signature:

I support this request for network connection for academic purposes.

Allocated Hostname: Workgroup

IP Address: Gateway/Router Address.....
